OBJECTIVE

Motivated and detail-oriented fresher with a strong foundation in software development and problem-solving. Eager to apply my technical skills, learn new technologies, and contribute to innovative projects. Seeking an entry-level role to grow as a professional in a dynamic environment.

EDUCATION

B.Tech in Computer Science and Engineering , Shri Ramdeobaba College of Engineering and Management, Nagpur Current CGPA: 8.69	2023-Present
Diploma in Computer Engineering , Government Polytechnic, Nagpur Percentage: 95.30%	2020-2023
High School , Mahatma Gandhi High School, Nagpur Percentage: 96.20%	2010-2020

SKILLS

Technical: Java, C++, ReactJS, Spring Boot, MySQL, MongoDB, Tailwind CSS, Git.
Soft: Problem-solving, Team collaboration, Communication, Adaptability, Time management.

EXPERIENCE

Software Intern | Jul 2022 - Aug 2022

SIMSOFTECH Technologies · Internship | Nagpur, Maharashtra, India (Hybrid)

- Worked on data visualization and analysis using NumPy, Pandas, and Matplotlib.
- Developed a mini-project focused on extracting insights from datasets using visualization techniques.
- Enhanced Python programming skills by working with real-world data and analytical libraries.

PROJECTS

Peer-to-Peer Skill Exchange Platform

- Designed a real-time platform for skill-sharing using **ReactJS, MongoDB, and Spring Boot**.
- Integrated **Zegocloud API** for seamless video conferencing and real-time interaction.
- Developed an intelligent skill-matching system with **automated notifications** to enhance engagement.

VisitorWatch - Real-Time Person Detection System

- Analyzed and implemented a real-time person detection and tracking system, achieving 95% accuracy using computer vision algorithms.
- Integrated **facial recognition** at runtime for automated attendance management.
- Utilized **OpenCV** and Face Recognition libraries for detection and **MySQL** for data management.

ACHIEVEMENTS

- **Selected for Wipro's Work Integrated Learning Program (WILP)** during a Diploma, a competitive academic and training initiative.
- Earned a **4-star rating on HackerRank** in Problem Solving, showcasing strong problem-solving abilities and coding proficiency.
